The General Secretary will be elected for a five-year term commencing no later than 6 December 2021.

FDA Rules state that any member can be nominated by no less than thirty members including a minimum of five members from each of five different constituencies (as determined under FDA Rules). If you are nominating a member, you need to complete this form giving the name of your nominee.

Nomination Forms must be accompanied by a declaration from the nominated candidate stating that they accept the nomination and agree to serve if elected. Only one declaration is required.

The closing date for nominations is midday on Monday 6 September 2021.

If the requisite number of valid nominations for a candidate is received there will be a postal ballot of members. A postal ballot for General Secretary is held amongst all FDA members. A nominated candidate may, no later than Thursday 14 September 2021, submit to the President a personal address of not more than 400 words. This will be circulated with the ballot papers in the event of a ballot.

The independent scrutineer will be Popularis.
